

Cleaner Local Parks

The problem

Our local parks have increasing amounts of litter.

Sustainable Development Goal

Goal 11: Sustainable Cities and Communities

Desired change

The council provides more bins and weekly collections.

Core message

Everyone deserves a clean and healthy local park.

How the message will be shared

Community meetings and social media.

Who can make the change

The local council

First move

Collect photographs and contact the council.

How success will be measured

More bins, weekly collections and less visible litter.
